

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge and is obligated by law to serve the public interest. We, the people in the community are getting more of what's good for Sinclair's bottom line and less of what we need for our democracy.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them.

Thank you.
